***For quiet, street-legal Dual Sport Motorcycles***

Back to the desert for the post holiday winter classic. Other than the LA-B-V, the Hi Desert 250 is the longest running Dual Sport event. It was 22 years ago when several old enduro clubs started promoting Dual Sport rides and formed the D37 Dual Sport Committee. The Hi Desert 250 was on that first schedule.

This year we have four all day loops. You choose which two you want to ride. Riders will be spread out on the four loops for less dust (as if there will be no snow or rain in January).

*One loop goes down to the Husky and back with lots of challenging desert single track. 140 Mi total, but since it goes through Joberg twice there are lots of short cut options.*

*Another loop goes to the Jawbone store and back. A classic almost every year. 120 Mi*

*The third loop not only uses some great trails in the El Paso Mts but for only the second also goes around/through the Rand Mts. 100 Mi, perfect for Sunday.*

*The fourth Option is a new loop that goes past eight old cabins in the Panamint Valley with lunch at Panamint Springs. 180 Mi but many fast miles*

- Ride to the X15 crash site, Fremont Peak trail, & the Husky
- Ride the Rand and El Paso Mts
- Ride to Jawbone and back
- Ride the Panamint Vly Mine Cabins Loop
- 75 Mi. max on gas
- DOOR PRIZES: 1 Dunlop front tire for each 12 mail-in orders
- Each order includes a ride T-shirt
