Pick the two or three all day loops that you want to ride;

Bodie loop, 170 Mi, 80 Mi max on gas. It goes to Lee Vining for gas then on to Virginia Lakes for lunch, then through the Bodie hills past Bodie, down the old RR grade, back to Lee Vining for gas and on back to Mammoth. This is long but fairly fast jeep roads.

Squaw Tit loop, 125 Mi, no gas, 100 Mi with short cut at end. It goes over Indian Summit and down to Hwy 120 through Adobe Vly, then up to 10,000 Squaw Tit and down to Browns camp ground on the Owens River for lunch then through Antelope Vly back to Mammoth.

Mammoth Trails Loop, 80 Mi, 45 Mi on gas. This loop goes to June Lake Junction and back. You can take an optional loop into June Lake for Lunch. It is very tight with extensive soft pumice, which makes riding in sand seem easy. It is a navigation challenge because of the numerous unsigned intersections. This should not be your first Roll Chart navigation ride and a GPS is highly recommended.
